AI Usage Declaration

AI Usage Declaration Submission Instructions

For each assignment where AI use is permitted, download this form, fill it in, save it as a PDF named aud.pdf, and submit it with your assignment. This is required even if you did not use AI at all — see the box below. If the form is missing, the assignment receives a zero.

If you did NOT use AI on this assignment: write "No AI used" in the AI Tool(s) Used section, write "Not applicable" in the sections after it, and sign the declaration at the end. You still submit the form.
